Nilgiris, Tamil Nadu | 6380134086 | arunkumar.msg26@gmail.com | LinkedIn | Portfolio | GitHub

Summary

Frontend Developer with more than a year of hands-on experience designing and delivering scalable web and Android applications using React, JavaScript, Node.js and Kotlin. Improved API response efficiency by 30%, increased page performance by 20%, and maintained 99% uptime across production systems serving 1000+ daily users. Delivered 15+ projects end-to-end and solved 100+ LeetCode algorithmic challenges. Attempting to contribute technical depth and analytical thinking to a high-impact engineering team.

Education

Bharath University Chennai, India
Bachelor of Computer Applications (BCA) *2023 – 2026*

- Relevant Coursework: Data Structures & Algorithms, Database Management Systems, Web Technologies, Object-Oriented Programming, Software Engineering

Experience

Frontend Developer July 2024 – September 2026
Arjava Technologies (Intern) *Remote*

- Engineered 5+ mobile-first web applications using React, HTML5, and CSS3, scaling to 1000+ daily active users
- Integrated 10+ REST APIs with robust error handling and caching strategies, cutting API response time by 30%
- Optimized page performance by 20% through code splitting, lazy loading, and Webpack bundle optimization
- Collaborated in Agile sprints with cross-functional teams using Git workflows, achieving 99% application uptime
- Mentored junior developers on React best practices and component-driven architecture

Projects

Web Applications

- **Kadaikutty** – Full-stack e-commerce app with React frontend, Express.js backend, and MySQL; supports real-time cart and order management
- **Goddard School** – Responsive React + Tailwind CSS platform managing student enrollments and form tracking for 200+ records
- **PGM Air Condenser** – Professional business website (HTML/CSS/Bootstrap) with SEO optimization and responsive design
- **Stack Visualizer** & **Queue Visualizer** – Interactive LIFO/FIFO data structure visualizers with real-time animations
- **Connect Four** – Multiplayer browser game with AI opponent logic and win-detection algorithm in vanilla JavaScript
- **Scientific Calculator** – Feature-rich web calculator supporting 20+ mathematical functions with keyboard input support

Android Applications

- **Roll Dice Game** – Android game (Kotlin/SQLite) with smooth animations and persistent high-score leaderboard
- **Calculator App** – Android calculator (Kotlin/Firebase) with 15+ operations and real-time cloud sync across devices
- **Rock Paper Scissors** – Android game (Kotlin/Java) with AI opponent, score tracking, and animated UI transitions

Algorithms & Data Structures

- **LeetCode Solutions** – Solved 100+ problems in Java covering arrays, binary trees, graph traversal, dynamic programming, and sliding window

Technical Skills

Languages: JavaScript, Java, Python, Kotlin, SQL, HTML5, CSS3
Frontend: React, Tailwind CSS, Bootstrap, Shadcn UI
Backend & DB: Node.js, Express.js, MySQL, MongoDB, Supabase, Firebase
Tools & AI: Git, GitHub, Android Studio, VS Code, Claude AI, GitHub Copilot, Kiro, Opencode

Professional Skills

Collaboration: Cross-functional teamwork, Agile/Scrum workflows, peer code review
Communication: Technical documentation, client requirement gathering, async remote communication
Engineering Practices: Debugging complex issues, root cause analysis, iterative delivery under deadlines

Achievements

- Solved 100+ LeetCode problems with optimal time and space complexity, ranking in top algorithmic problem solvers
- Delivered 15+ web and Android projects end-to-end, deployed on GitHub Pages, Render, and Cloudflare
- Cut backend latency by 30% and improved page efficiency by 20% through caching, code splitting, and bundle optimization
- Maintained 99% uptime for applications handling 1000+ concurrent users at Arjava Technologies
- Balanced full-time BCA studies with active professional frontend development since July 2024

Certifications

- **1st Place – Web Design Competition**, Madras Christian College (MCC)
- **1st Place – Web Design Competition**, Agurchand Manmull Jain College
- React – The Complete Guide (Udemy / self-study, 2025)
